NO ACTION TAKEN AGAINST LAUNDRESS

That no action would be taken against the washerwoman who held the laundry belonging to O. C. W. girls for a month was the statement made by County Attorney Venable this morning. The act was attributed to ignorance rather than to any intent to violate the law.

In running down this case, which was a perplexing one, Sheriff Hodge Bailey showed great activity. He located the woman at Waukegan within a couple of days after her disappearance from here but there the clue was lost but was found after considerable telephoning to various points in the county. This inquiry resulted in the information that the property was in the possession of the Chickasha women and was found after a brief inquiry.

The clothes came to the girls a little late for summer wear.

Chicago Grain.

Chicago, Ill., Oct. 18.—Wheat prices ran up excitedly almost five cents a bushel today on top of seven cents advance the day before. All high records were exceeded since as far back as 1898, when for a short time Joseph Leiter seemed to have obtained control of the entire existing surplus supply.

Broad, active foreign buying of future deliveries appeared to be the chief reason for today's violent upturn, which, however, in the end was not well maintained. The market closed excited at the same as yesterday's finish to 3-14 cents higher, with December at \$1.66 3-8 and May at \$1.67 1-8 to \$1.67 1-4.

New York Cotton.

New York, Oct. 18.—The cotton market showed greater activity and excitement at the opening today than at any previous time this season, and there was a sensational advance in prices. July contracts sold at 19c on the call, while before the buying movement subsided, January sold at 18.78c, or more than \$10 per bale above the low level of last week. That delivery closed at 18.51c, with the general list closing barely steady at a net advance of 33 to 42 points for the day.

Fort Worth Live Stock.

Fort Worth, Tex., Oct. 18.—Cattle—Receipts 4600; steady, steers \$6 to \$7, Hogs—Receipts 4500; 15c to 20c higher; bulk \$9.65 to \$9.85. Sheep—Receipts 1300; steady; lambs \$9 to \$9.50.
